The **Ferguson DAB Digital Radio +100** is the ideal radio for the kitchen or home office. This device has a embedded DAB+/FM tuner with RDS support, as well as a USB port and SD card reader for music playback. You can also use it as an alarm clock. The Ferguson DAB Digital Radio +100 is set in a chic wooden cabinet. In addition to receiving the digital DAB radio stations you can aslo enjoy the standard analogue FM radio. With this device you can play music directly from SD card or USB sticks. The navigation of the all radio functions can be done via the buttons on the unit.
