

## Smart EYE 210 IP Cam FS2SE210

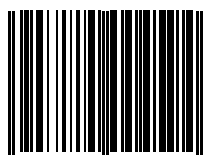

It is part of the Ferguson Smart Home system. It can be used independently.

- Resolution: 3MP
- Lens: 4 mm @ F2.0; Lens interface - M12; Sensor - 1/2.7"
- Illumination: 2 infrared LEDs
- Viewing angle: horizontal 90°
- PTZ (Pan, Tilt, Zoom): Horizontal rotation angle: 355°, Vertical rotation angle: 75°
- Infrared wavelength: 850 nm
- Maximum night vision distance: 10 m
- Switching mode: ICR infrared filter
- Noise reduction: 3D
- Backlight compensation: supported
- Strong light suppression: supported
- AI algorithms: Motion detection, Human detection, Gesture detection, Vehicle detection
- Wired network port: none
- Memory: Micro SD card (≤256 GB) (purchased separately) or cloud storage
- Microphone: built-in, high sensitivity
- Speaker: built-in
- Compression standard: Video - H.265; Audio - G.711A
- Maximum image resolution: 2304 × 1296
- Frame rate: 25 fps
- Image settings: HD/SD, flip function
- Frequency range: IEEE 802.11b/g/n 1T1R
- Channel bandwidth: 2.4/5GHz
- Antenna: 20 MHz
- Network mode: AP configuration
- Supported protocols: TCP/IP, HTTP, DHCP, DNS, MQTT, P2P, RTSP
- Material: plastic casing
- Operating temperature: -10°C ~ 60°C
- Humidity: <95% (non-condensing)
- Power supply: DCSV1A
- Dimensions: 119.5 × 74 × 74 mm
- Weight: 192 g

Ensure the safety of your loved ones and home with the innovative Ferguson Smart EYE 210 IP camera. This versatile and modern device offers exceptional functionality and ease of use, becoming an indispensable element of a smart home. Equipped with advanced technology, the camera provides live video streaming, motion detection, two-way audio communication, and a reliable night mode.

- The built-in artificial intelligence automatically detects, tracks, and records movement, ensuring instant notifications about potential threats.
- Ferguson Smart EYE 210 delivers a clear image both day and night, thanks to its advanced night mode with infrared LEDs.
- The Press-to-Call feature enables two-way communication with household members, combining monitoring with convenient contact with loved ones.
- The camera can be easily installed in various locations, while flexible storage options give full control over recordings.
- An intuitive mobile application, Ferguson Home, allows complete personalization and real-time control of the camera's settings.
